By David Novak, John Boswell

Random House USA Inc, United States, 2009. Paperback. Condition: New. Language: English. Brand new Book. Now he wants to share with you what he discovered about getting ahead and getting noticed; motivating people and turning businesses around; building winning teams and running a global company of nearly one million people; and always staying true to yourself. The Education of an Accidental CEO is filled with David Novak's street-smart wisdom: From...
